STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF
DISCIPLINARY PROCEEDINGS AGAINST

ANTONIO R. WICO, JR., M.D.

Respondent

ORDER GRANTING FULL LICENSURE

On January 21, 1993, the Medical Examining Board issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, respondent's license to practice medicine and surgery in Wisconsin was limited to require that he not perform or supervise the performance of anesthesiology on any child 23 months or younger, except in emergency cases. The board's order was based on the imposition of a similar limitation on Dr. Wico's Arizona license by the Arizona Board of Medical Examiners.

On April 26, 1995, the board considered respondent's petition for return to full licensure. Based upon the entire record in this matter, including documentation of respondent's full compliance with the terms and conditions of his limited license, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that all limitations on the license of Antonio R. Wico, Jr., to practice medicine and surgery the State of Wisconsin, as imposed by the board's Final Decision and Order in this matter dated January 21, 1993, be, and hereby are, terminated, and Dr. Wico is hereby returned to full licensure.

Dated this 4th day of May, 1995.
